Subject: Nangarhar Talc Tender (Shirzad Block)

Following your proposal submission for **Nangarhar Talc Project (Shirzad Block)** (the "Project"), the evaluation committee has carefully evaluated all the proposals of interested parties and finalized the report of evaluation which has been presented to High Economic Council (HEC) on December 17th, 2019. HEC approved the Evaluation report on meeting # 15 dated 26/09/1398, and took the following decision: "**Pursuant to the legal opinion of Ministry of Justice, to prevent the monopoly over Extraction and Processing of Talc Deposits, MoMP is required to negotiate the first block with Preferred Bidder, negotiate the second block with Reserved Bidder; and re-tender the third block.**"

Pursuant to the decision of HEC and official division of the blocks, you, Core Driller the "**Preferred Bidder**" are awarded the first block, named Merki-khail with the following coordinates:

1. 70°0'52.028"E 34°12'12.673"N
2. 70°3'3.334"E 34°10'51.694"N
3. 70°0'54.086"E 34°6'43.322"N
4. 69°58'3.707"E 34°8'47.747"N

In the light of the above MoMP hereby invites you for the commencement of official negotiation for the conclusion of the mining contract for the above mentioned project and block.

Sincerely,

Enayatullah Momand

Acting Minister
