4 Section-I Instructions to Bidders Clause ITB 4.3, Section-II Bid Data Sheet

Existing ITB Clause 4.3 of Section-I Instructions to Bidders

The following is added in the Bid Data Sheet, Section II of Bidding Document

Clause ITB 4.3 The following is added at the end of the existing text:

The Firms/Companies, who import petroleum products as defined under the Section-VI - Employers Requirements of the Bidding Documents to Afghanistan, shall be considered having conflict of interest. Thus the Bidder(s) who have any direct or indirect link with Firms/companies who are importing/Selling/Buying or intends to import/Sell/Buy the petroleum products to Afghanistan during the period of the Contract to be finalized through this process of Bidding shall be considered having conflict of interest. Thus the successful Bidder also cannot have any direct/indirect links with Firms/companies who shall be importing/Selling/Buying the Petroleum Products during the period of the Contract finalized
